PEARTREE | ZOOM SHORT SESSIONS - LOCKDOWN

Thursday, June 18, 2020 to Friday, July 10, 2020

Welcome to the Online Photographic Exhibition of the students who successfully completed the Peartree Zoom Short Sessions, June 2020.

As a final project, the students needed to capture the LOCKDOWN TIME the way they experienced it. They were encouraged to use the photographic principles they have learned to get the viewer to feel their emotions and see what they saw.

These are their final products.

If you are interested in joining our next Zoom Short Sessions from anywhere in the world, feel free to have a look at <https://www.peartree.co.za/photographycourses>

Enjoy the student's hard work and effort. Thank you for visiting.
